

Dear Members and Guests:

Our priority is the safety of our staff and guests and we take the Covid-19 rules and restrictions very seriously. The situation is fluid and is changing everyday...we ask for your patience and understanding as we all get used to this "new normal".

As of right now, here is what to expect:

- The Pro Shop will remain open and will be limited to 2 persons at a time. We have implemented a "tap" system for transactions and will continue to accept cash. Please limit your time in the Pro Shop.
- A sanitizing station will be located outside of the Pro Shop, please sanitize before entering.
- A plexiglas barrier has been installed in the Pro Shop and our staff will be supplied with the necessary protective gear.
- Snacks and beverages will be available in the Pro Shop.
- Scorecards and pencils will be handed out by Pro Shop staff.
- **Tee times are now required.** Tee times can be booked by phone. We will be accepting tee times up to one week in advance. Voice mail messages will **NOT** be accepted.
- Golfers may arrive no earlier than 20 minutes before their tee time and must leave the golf course immediately following their round.
- Power and pull carts will be cleaned and disinfected after each use.
- Rakes and ball washers will be removed from the course.
- Putting cups will be modified and the flag must not be removed.
- Washrooms at the Pro Shop will remain open and will be cleaned throughout the day. The washrooms on the course will remain closed until further notice.
- The BBQ will not be operating until further notice.
- The mini putt is closed until further notice.
- The driving range and putting green will be open with restrictions.
- No rental clubs until further notice.
- League captains will be in touch once we learn more.
- Tournaments will be evaluated on an ongoing basis.

There will be an increased presence of starters and marshals on the golf course and we will be enforcing physical distancing at all times. Anyone found not in compliance with the physical distancing rules set out by the government and the procedures put in place by the golf course will be asked to leave.

These are unusual times for everyone and we ask for your understanding as we work through this. We can't wait to see you (from 6 feet away) and we are looking forward to another great season.

Stay healthy and stay safe and let's get this season going!
